

JUNE 27, SUNDAY, 3PM ♦ MINNIE ROSE LOVEGREEN (IN SPIRIT) & NANCY REKOW

FAR AS I CAN REMEMBER: MINNIE ROSE LOVEGREEN'S LIFE STORY. Longtime Bainbridge resident, author and mentor to countless writers through her example and her perennial writing workshops, **Nancy Rekow** unveils the biography she recorded and edited recounting the life of the acclaimed author of ***Minnie Rose Lovegreen's Recipe for Raising Chickens***, one of our store bestsellers last year when Rekow reissued it. Lovegreen, an English-born Bainbridge farmwife, became a published author at the age of 86 when she dictated the latter book into a tape recorder. Rekow's rendition of her biography encompasses her childhood in England, life in Canada including marriage and motherhood, and her arrival on our shores and subsequent fame as an expert on the care and well-being of poultry.
